

Name: Shelly Roberts

Horse's Name: Andys Rock Bar aka Andy

Where did you get your horse? I bought him from Dennis Pond

How is your horse bred: Cutting/reining bred

Tell us something interesting about your horse: Andy is 25 YEARS YOUNG. I have owned Andy for 12 years. Being a pole horse is his third career. He was a cutting horse (his real, true love), then a reining horse, and now runs poles (as well as heels, breakaways, and still cuts for fun). He was a stud for several years and still LOVES THE LADIES.

I've been a UBRA member since 2000. I work full time outside the arena. I also put on my own big race (Beehive Turn 'N' Burn). I showed horses when I was younger. I really got into/addicted to just barrel racing when they implemented the "D's" system.
