

Name: Shelly Roberts

Horse's Name: Billy So Smart aka Billy

Where did you get your horse? I bought Billy from Gloria LeSueur

How is your horse bred: Cutting/reining bred

Tell us something interesting about your horse: I have owned Billy for 5 years

I've been a UBRA member since 2000. I work full time outside the arena. I also put on my own big race (Beehive Turn 'N' Burn). I showed horses when I was younger. I really got into/addicted to just barrel racing when they implemented the "D's" system.
