

Name: Chrissy Van

Horse's Name: EG Willow Lane aka Biskit (like Seabiscuit – small in stature, big heart)

Where did you get your horse: Bought him then trained him on the barrels as a 5 yr old.

What is your horse's breeding: By Lanes Lienster out of Smooth Willow

Tell us about yourself: Work 3 days a week at our business we own, Mikes Glass Works. The days I don't work there, I ride! We live in Cedar Fort, on 10 acres.

When did you first join UBRA and how long have you been addicted to barrel racing: 1996 I think. Been addicted ever since.

Tell us something interesting or noteworthy about your horse: Biskit is such a nice horse, and he has the funniest personality! He is not the biggest horse, so people don't think he can run like he does, so that makes it fun when I go to new places, and he does well. Biskit has won money in both PRCA rodeos and IMPRA rodeos. I hope he can take me to great places in the future!

Anything else you would like to say: 2 years ago, I had Biskit for sale for \$10,000.00-\$15,000.00. I had probably 10 people try him, and nobody wanted him, mostly because of his size. Today, I am certain I would not let him go at that price! I am grateful I have been able to run him and own him.
