Tell us something interesting or noteworthy about your horse: Buck is filled with a lot of personality. He was doted on by 2 mares when he was a baby. He would sleep against the fence at our property in Lake Shore. While he was sleeping he would push under the fence and wake up on the wrong side of the fence which made his 2 mom's go crazy. Buck likes to joke, play and get into mischief. He can open gates and is always getting into something. Buck likes to be in charge and loves to run barrels and never misses a meal.

Anything else you would like to say: Thanks to Jill Atkinson for running Buck his Futurity and Derby year and Shauna for all the prep work and everyday care. If it wasn't for you two girls Buck would not have been as successful as he is.
