

Name: Sheri Young

Horse's Name: Perfection Dun Tough aka Cody the Rocket

Where did you get your horse: Rick bought Cody out of the neighbors pasture with plans to break and sell him for boot money ~ 8 years ago.

What is your horse's breeding: On the top he goes back to Impressive, out of a Poco Bueno mare ~ people assume he's by our old Doc Bar stud but he's not.

Tell us about yourself: I work as a project manager for Cache Valley Electric in my spare time. Live in Bluffdale on the Circle Y working ranch (more work than ranch). Happily married with 2 great kids.

When did you first join UBRA and how long have you been addicted to barrel racing: I joined UBRA about 12 years ago but have only been pole bending for 2 years. I started the middle of last year because I wanted to sneak in there and get a year end award.

Tell us something interesting or noteworthy about your horse: My daughter Jackie (the real pole bender in the family) taught Cody everything he knows. She started riding him when he was 3 and has competed with him in barrels and poles. Cody is a jam-up breakaway and heal horse too thanks to Rick. Despite that one time he dumped Rick in the ground at a roping ~ he's pretty honest.

Anything else you would like to say: We Young's feel very lucky to have the great horses that we do. Cody is not the fastest horse in the barn and despite being a little sulky and lazy he's taught me that consistency and a little bit of heart goes a very long way. He has also taught me that just running clean is not enough – you gotta step it up and run to win!!

I'm so excited to say that Cody has a new owner named Linsey Young and pending a background check and verification of references they will be the team to watch in the future!!
