

Name: Trinna Williams

Horse's Name: DT Hot Rod N Ta Fame - aka Hot Rod

Where did you get your horse.: I purchased Hot Rod from the wonderful Young family. Hot Rod was a young horse and I have spent the last 2 1/2 years training her. Rick and Sheri Young have quality horses and are very supportive and caring through out.

What is your horse's breeding: Sired by Mr Docs Acacio out of a Dash Ta Fame bred mare.

Tell us something interesting about yourself: My husband Devin and two kids Elisa and Dustin Williams have relocated to Erda, Utah. I breed and train performance horses. I give lessons and help people with problems they are experiencing with their horses. I love to help people and horses communicate better.

When did you first join UBRA and how long have you been addicted to barrel racing: I think I joined UBRA around six years ago and have been chasing these fast girls and guys ever since. Maybe I will get lucky one day and catch them. Ha Ha. UBRA is a great association with wonderful and supportive people. How many places do you know that will cheer on their competition? Just Awesome!

Tell us something interesting or noteworthy about your horse: I purchased Hot Rod as a brood mare hoping one day she would stop bucking long enough to turn a can. Mike Rose said she had a talent for bucking and she does.

However, I am very proud of Hot Rod, she has what it takes to be a winner. Hot Rod needed some one to put up with her crap and believe that she is talented. I am truly lucky to own such a great horse, Hot Rod helps me accomplish my dreams.

Anything else you would like to say: Congrats to all the winners, you have truly outdone yourselves this year. It was a very tough year, I am honored to see my name next to yours. Thank you UBRA board members for putting on such great races and the support you show to each member. I look forward to many more years with such wonderful people.
