

Name: Jackie Young

Horse's Name: BCR Surely Special aka Stevie

Where did you get your horse? From Jan (Sprangle) Brangle who got her from Sue Smith

What is your horse's breeding: I'm not really sure*

Tell us something interesting about yourself: I am a junior at Riverton High School and work part time at Just 4 Kids Adventures. I love to text massage and hang out with my friends.

When did you first join UBRA and how long have you been addicted to barrel racing: I joined about 5 years ago when I was running Cody the Rocket in poles and barrels.

Tell us something interesting or noteworthy about your horse: The first time I rode Stevie we went running to the 1st barrel and she bucked me off!!! Then she stood there and looked at me like "who are you and what are you doing down there?"

Stevie is a princess and she will tell you so. She loves to be brushed and groomed. She's not sure why she's a speed event horse; she thinks she should be an English or dressage horse.

Stevie got her name because she will weave back and forth in her stall or at the trailer – like Stevie Wonder.

Stevie hates cows and getting her rodeo seasoned has been a challenge but she's learning that cows are her friends. Stevie was very naughty at High School State Finals – there was a bull bucking in the arena next to where we were running poles and she ran in there, smoked the 1st pole, heard the cow bells and bailed on me. My Dad brought a cow bell home and will stand on the back porch and ring it just to aggravate her.

Stevie loves to run poles when there are no cows around!!

Anything else you would like to say: I know I'm lucky to have the horses that I do and I want to thank Jan for letting us take Stevie. I want to also thank my Dad for making some big sacrifices so that I could have Stevie and Cody and Buckshot and.....

*Mother added: Stevie is by Floyd De Great (Coup De Cas) out of a Special Effort mare.
