

Name: Nadine Kern

Horse's Name: Cassidy's Sun aka Sunny

Where did you get your horse? We bought Sunny when he was 3 from Mindy Sagers. Mindy broke him and we trained him on the barrels.

How is your horse bred: By Cassidy's Cassanova

Tell us something interesting about your horse: Sunny is a cuddly sweet heart with logs of try.

I live in Herriman and I work part time as a pharmacy technician and I go to school full time for nursing. I've been addicted to barrel racing since I was about 10 years old.
