6. Knowing and willfully falsifying a UBRA application or class form.
7. Cheating or willfully misusing a rule.
8. Running out of turn or before name is called can result in disqualification.
9. All riders are required to clear the arena and begin their run from outside the arena.
10. Failure to comply with the jackpot rake rule: \$25 fine.
11. Failure to comply with 4D helper rule: \$25 fine each occurrence. Fine must be paid by summer finals race or points will be retracted.
12. Working a horse on stakes or markers, barrels or poles before the race starts (except time only): \$25 fine
13. Circling barrel or pole more than once during a competitive run: \$25 fine

Patterns

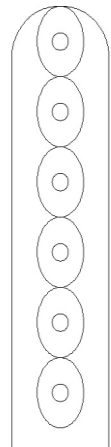

Cloverleaf Barrel Pattern

1. The start and finish line will be one and the same line. Time shall begin as horse and rider cross the timer line and shall stop as the horse and rider cross the timer line after completing the pattern. The time line extends wall to wall where the timers are placed, if a horse or rider is in forward motion and crosses the line at any point beyond the timer it will result in a disqualification or no time.
2. Pattern can be run starting with the left or right barrel.
3. Standard distance for the cloverleaf barrel pattern is:
 - 90 ft. between the 1st and 2nd barrels, 105 feet between the 1st and 3rd barrels and 105 feet between the 2nd and 3rd barrels. The score line is 60 ft from the 1st and 2nd barrels to the timer.
 - A standard size pattern will be used where possible.
 - A smaller than standard pattern may be set depending on the arena.
 - Pattern will not be set larger than standard size as noted above.
4. Stakes with tie-wraps, strings or a rope will be used to stake the pattern and timers. The barrels shall be set to the inside of the stakes and the timers will be placed on center of the stake. Laser stakes will be used where available.
5. The "arc method" or a 300 ft. measuring tape will be used to stake the pattern. This will ensure equal distance for barrel racers who run to either the right or left barrel first. The distance to the timers will also be measured from the 1st and 2nd barrels.
6. In the barrel classes and 4D - a knocked over barrel will be given a 5 second penalty and will not be awarded points or money.

Pole Bending Pattern

1. The start and finish line will be one and the same line. Time shall begin as horse and rider cross the timer line and shall stop as the horse and rider cross the timer line after completing the pattern. The time line extends wall to wall where the timers are placed, if a horse or rider is in forward motion and crosses the line at any point beyond the timer it will result in a disqualification or no time.
2. The pole bending pattern will be run around six poles. Each pole is to be set in a straight line twenty-one feet apart; the first pole will be set twenty-one feet from the starting line. Each pole shall be 6 ft. in height and the base shall be no more than fourteen inches in diameter.
3. The pole bending pattern will be set using a rope marked with tape every 21 feet or a tape measure.
4. A knocked over pole will be given a 5 second penalty and will not be awarded points or money.
5. The poles will be centered with the alleyway where possible.

Timers

1. Electric timers will be used for all events. If the timer fails you have the option of a re-run or a refund of your entry fee.

This rule book has been approved by the board of directors and supersedes all previously published UBRA rule books.
